

Approach

- Following the official Microsoft exam objectives for 70-532, numbered from 1 to 4
- The sub-objectives are given decimal numbers 2.1, 2.2, 2.3, etc.
- The first week is about learning Objective 1 completely. That's 30-35% of the exam in week 1.
- The second week is about learning Objective 2 completely. That's 55-65% covered by week 2.
- The third week is about learning Objective 3 completely. That's 70-75% covered by week 3.
- The fourth week is about learning Objective 4. Also, get more practice with Azure, and ensuring 100% coverage.
- The fifth week is for redoing any assignments, taking practice tests, going over what you learned. Gaining confidence.
- And the sixth week is when you take the test.
